

A Fraternal Organization

The Montana State Elks Association

Since 1906, Billings has hosted the Montana Elks Summer Convention thirteen times with this being the Lucky Thirteenth Time!

This event will be a little different, in the fact, that we, the Montana State Elks Association will be hosting the convention. This is not our first rodeo as host, but we have learned from our experience.

We may have the opportunity to use the Billings area to host the Summer Convention for the next four years depending on your support.

There are a lot of factors that will determine this goal; one of them is to book your rooms at the Big Horn Resort with the help of the info included with the attached registration form.

Think of it as a mini-Grand Convention, with all of our Lodges across the State being in one location. What an excellent time to re-connect with friends and make new ones! It is also a great time to share successful Elks program ideas and policies that work within your Lodges.

We hope that you agree with us and we look forward to having you in Billings and seeing you in the hallways of the Big Horn Resort!
